RECREATION PROJECT AWARD

Visit Clearfield County is dedicated to enhancing the local economy by increasing tourism throughout our county. Tourism creates jobs and stimulates the economy with imported dollars. For every 147 room nights, one job is created. Visit Clearfield County is prepared to offer a recreation project award to qualifying candidates for the 2025-2026 fiscal year. This is a competitive program and is not guaranteed to any or all applicants and may not be available each following year.

The perfect applicant for this award would be to create a new recreational asset within Clearfield County that would have the potential to generate overnight stays and boost our local economy. Recreational assets that would continue to offer more than one-time experience for visitors will be given extra attention. This award is intended to be used for the purpose of supporting the mission of Visit Clearfield County. Proper documentation must be provided before funds are issued to awardees.
